RE: CC Docket No. 96-45/WC Docket No. 14-58, Annual State-Certification of Support for Eligible Telecommunications Carriers pursuant to 47 C.F.R. 54.314

Dear Ms. Dortch and Ms. Majcher:

Pursuant to the requirements of 47 C.F.R. 54.314, the Michigan Public Service Commission hereby certifies to the Federal Communications Commission and the Universal Service Administration Company that the telecommunications carriers included in this letter are eligible to receive federal high-cost support for the program years cited.

The Michigan Public Service Commission certifies for the carriers listed all federal high-cost support provided to such carriers within Michigan was used in the preceding calendar year (2013) and will be used in the coming calendar year (2015) only for the provision, maintenance, and upgrading of facilities and services for which the support is intended.

Attached is a list of carriers certified by the Michigan Public Service Commission pursuant to sections 54.313 and 54.314 of the FCC's rules (47 C.F.R. §§ 54.313, 54.314), which requires States to establish an annual certification process for carriers receiving federal high cost support. As requested by the Universal Service Administrative Company, listed beside each carrier is its assigned study area code (SAC).

Seven companies, ACD Telecom of the North, LLC, Huron Mountain Communications Co., Osirus Communications Inc., Michigan Access, Inc., NSW Telecom, Inc., TC3 Telecom, Inc., and TelNet Worldwide, Inc. failed to provide the Michigan Public Service Commission with a re-application. One company, Air Voice Wireless, LLC d/b/a FeelSafe Wireless, filed a re-application, but failed to provide certain sections of Form 481, as well as additional clarification information as requested by Michigan Public Service Commission Staff. Staff made multiple attempts to contact Air Voice Wireless without success.

Sincerely,

Robin P. Ancona

Robin P. Ancona, Director
Telecommunications Division

List ABCDE

"Adopt and issue minute dated September 11, 2014 designating the attached carriers as eligible telecommunications carriers (ETCs) for the purpose of receiving federal universal service funds that were used in 2013 and will be used in 2015, only for the provision, maintenance, and upgrading of facilities and services for which the support is intended, consistent with Section 254(e) of the Communications Act of 1934, as amended, and consistent with the Federal Communications Commission's orders in CC Docket No. 11-161. Further, each exchange is designated as a service area for this purpose. The certification granted in this minute action is conditioned upon the Commission's reservation of its right to audit all expenditures of these universal service funds."
